

IMPRONTA

Design Effeti, Andrea Federici

L'eco di un passato di profumi e aromi tradizionali torna a vibrare in cucina: Impronta, il ricordo di un'atmosfera di altri tempi. Una cucina che si rimodella e ristruttura per seguire le esigenze di oggi, per regalare un'esperienza di comfort e qualità, senza perdere il fascino di tracce e linee del passato. Impronta è il segno indelebile che attraversa il tempo, il tocco vintage per una cucina contemporaneamente moderna e rétro.

The echo of a past made of traditional scents and flavours vibrates back in the kitchen: Impronta, the memory of an atmosphere of past times. A kitchen that remodels and renovates to follow the demands of today, to give an experience of comfort and quality, without losing the charm of lines and traces of the past. Impronta is the indelible sign that goes through time, the vintage touch to a kitchen at the same time modern and retro.
